Services Available

New LILT Client evaluation \$110

Photobiomodulation aka LILT:

First surface area treated — \$60 (e.g. knee, shoulder, wrist etc.)

Second area — \$40 (treating two areas at the same time)

Third and additional areas — \$30 per surface area

Treatment times range from 3 to 60 minutes depending on the type of equipment used and surface area being treated. Most chronic conditions are treated 3 times per week for the first three weeks.

All patients are re-assessed after three weeks.

Patients are treated 2 times per week once they have achieved 50% improvement.

Patients are treated 1 time per week once they have achieved 75% improvement.

Patients graduate at 90-95% improvement as your body will continue healing.

Private Brain Fitness Session
\$25 (25 minutes)
\$50 (55 minutes)

Cognition and Balance Assessments \$110
